

Spring Renewal

seasonal treatments

eminence organic facial + dermaplaning

Brighten-Up! Stone Crop comes to the rescue with ancient healing properties to calm and restore balance while lightening spots and filling in lines and wrinkles. This comprehensive nourishing treatment includes a deep cleanse, physical exfoliation with dermaplaning, a calming chamomile peel for further dissolution of lifeless skin cells, extractions, a nourishing massage, a healing and calming stone crop masque, followed by an application of stone crop's nutritious nectar! Your skin will be lifted, lightened and Spring ready!

\$155

body treatments massage

Slow down, unwind, and completely let go this season with SpaRitual Earl Grey Body Massage. Experience the unforgettably comforting scent of an all-natural blend of essential oils, including Clary Sage, Bergamot, and Southern Cone Marigold. The Earl Grey Oil Salve will remarkably melt your tensions away as you receive this deep relaxing, healing massage. Nurture and quiet your mind, body and spirit with the comfort of Earl Grey.

\$110

back + feet

Need TLC for your neglected back and feet? Give it the right amount of attention with Earl Grey Teatox Back treatment and Moisture Repair Wrap for dry heels. Begin with a deep cleanse and exfoliation then followed by a detoxing Earl Grey Body Masque with Activated Coconut Charcoal. As you relax, your dry heels and tired feet are cared for with Oil Salve and are cocooned to deliver intense moisture.
